Who Me?.....Yes, You!

How do I get involved?

- 1) Register to vote and encourage others to register also.
- 2) Educate yourself and others about candidate positions on early education by visiting their websites or reading about them.
- 3) Ask candidate questions. Get questions about early childhood education into the public discourse. Attend a candidate forum and ask a question or send a question with someone else.
- 4) Talk with your families, neighbors and community members about the importance of voting and ways to be involved in the political process.
- 5) Create a buzz about the elections. Send reminders to colleagues...add a G.O.T.V. tagline.
- 6) On Election Day, make sure you vote and help others get out to the polls.
