When Staff Credentials are holding your center back

Career Advisors from DVAEYC can help!

Career Advising is available to help ECE Educators...

- Use PDR's for setting effective, manageable learning goals
- Brainstorm solutions to challenges that are preventing one from furthering their education
- Set academic goals that meet required Career Lattice goals
 - Identify an accredited program that works for you
 - Navigate the financial aid and reimbursement systems
- Create a plan to meet long or short term educational goals

This free service is available through Keystone STARs Technical Assistance. To apply, call your STARs Specialist or print out an application at:
