May, 2012 - June, 2012

## Montgomery County

### **Creative Art: It's All About the Experience**

**Caroline Campana, K2 C2 19**

Understand the development of children's creativity through art expression using process oriented art. Gain a better understanding of the types of materials needed to support a high quality art experience. Evaluate your current art curriculum, identify strengths and weaknesses and make a plan for positive changes in your preschool classroom.

**May 14, 2012, 12:00pm to 3:00pm**

Coventry Christian School  
699 North Pleasantview Road  
Pottstown, PA 19464

### **Setting the Stage for Learning: Preparing the Infant/Toddler Classroom Environment**

**Caroline Campana, K2 C2 12**

Learn the importance of design, organization, presentation and arrangement of an infant/toddler classroom and how it relates to learning. Gain a better understanding of items that can be placed in the classroom that will expand learning, assist with classroom management and provide a safe nurturing environment for all of the children and teachers in the classroom.

**May 17, 2012, 12:00pm to 3:00pm**

Montgomery Early Learning Centers - Pottstown  
150 N. Hanover Street  
Pottstown, PA 19464

### **Setting the Stage for Learning: Preparing the Preschool Classroom Environment**

**Caroline Campana, K2 C2 12**

Learn the importance of design, organization, presentation and arrangement of a preschool classroom and how it relates to learning. Gain a better understanding of items that can be placed in the classroom that will expand learning, assist with classroom management and provide a safe nurturing environment for all of the children and teachers in the classroom.

**May 24, 2012, 12:00pm to 3:00pm**

Lakeshore Learning Store  
340 West DeKalb Pike  
King of Prussia, PA 19406

### **Sharpen Your Senses: Pre School Science**

**Caroline Campana, K2 C2 18**

Understand and define the six components of the preschool scientific method, describe and name the examples of materials for the science center recommended for high quality preschools, and discover new hands on science activities that allow children to explore using their senses.

**June 4, 2012, 12:00pm to 3:00pm**

Lakeshore Learning Store  
340 West DeKalb Pike  
King of Prussia, PA 19406
